

# Savings and Earnings

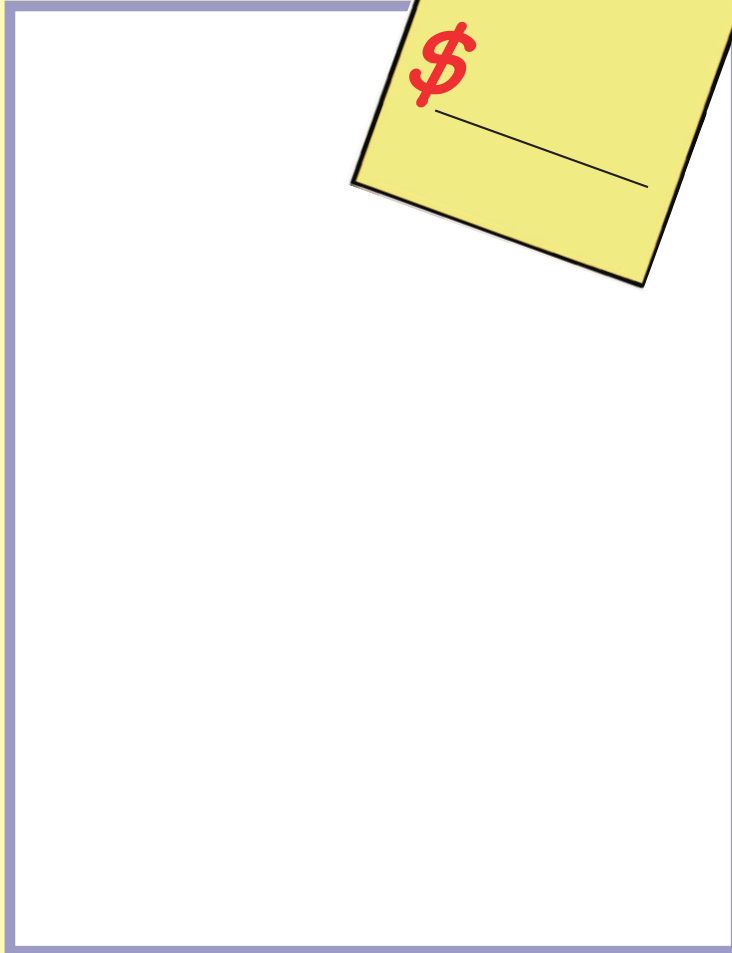

Your Name: \_\_\_\_\_

★ Choose one item you would like to have. In the space on the right, draw a picture of this item and write how much it costs in the price tag.

★ List the various ways you earn money each month. For example, you can list your allowance or the money you earn working for friends and family.

★ How long will it take you to save enough money to buy the item you would like to purchase?

★ How will you save for this? Examples include saving in a piggy bank, bank or your local credit union.

## All Star Parents!

### Help Your Kids Set Goals to Save.

At Hughes, we want to help you improve your child's financial life. When children start thinking early about savings and practice other good financial habits, they'll be on the right path to a strong financial future. Come see us today to start your kids on the road to confident money management. Hughes is safe and strong, locally owned and has been improving the financial lives of our members for 58 years.
